The Village at Marymount
Celebration of Life Gala 2017

Welcome to the 2017 Celebration of Life Gala!

We are honored to have been selected to be Honorary Co-Chairs for this year's Celebration of Life Gala, especially since it will recognize the 10th anniversary of the opening of Villa St. Joseph and the creation of The Village at Marymount, which took place in 2007.

It has been our personal experience that every ministry of the Sisters of St. Joseph of the Third Order of St. Francis established on the Marymount Campus has been permeated with their special Franciscan spirit and The Village at Marymount is no exception! The Mission Statement of The Village at Marymount says it “strives to celebrate the gift of life in all its transitions through competent and compassionate care.”

Our family has been personally touched by this mission as two of our parents spent time at Villa St. Joseph in 2007 and 2008. Lyn's mom was cared for at the end of her life at Villa St. Joseph and her comfort and care were top priorities by the staff. Greg's dad was there for rehabilitation and was taken special care of and transitioned back home.

Since then, Dolores Kurtz served as Honorary Chair at the first Gala event in 2010, and Amy Milan Nelson, Lyn's sister, served on the board and development committee for several years.

We are both thankful to serve as Honorary Co-Chairs to be able to give back and to help ensure that the excellent, faith-based services provided by The Village at Marymount can continue way into the future to ensure that thousands of lives and families can be touched as ours have been.

Thank you for joining us to make this the best Gala ever! We want to thank the Sisters and the administration and staff for carrying on this noble and sacred work of the church in caring for the sick, the dying, the vulnerable and the poor.

There are several things on the wish list, such as ground improvements, additional staff training and equipment, upgraded pantries to plate and serve meals, etc. The Fund-A-Need focus this year is on a new handicap accessible bus to take assisted living and long-term care residents on outings, shopping, to the theatre, color tours in the fall, going to see Christmas lights, attend plays, etc. Grants are being researched and submitted, however the total cost of a new fully equipped bus is just over \$100,000.

Your generous support and the support of others can help us get close to that amount. Thank you again for your support as we enjoy our time here together and as we help the Sisters help so many members of our communities as they share their deep faith and love for the God who sustains them and all their good works.

Prayers and blessings to all,

Greg and Lyn Kurtz
2017 Honorary Chairs
